## FrontStreet Facility Solutions Names Brian French Vice President of Operations

Bohemia, NY (September 26, 2013) – FrontStreet Facility Solutions (FrontStreet) Chief Executive Officer Kris Bunnell announces that Brian French will join the executive leadership team as Vice President of Operations. French is the former President of Cairn Development.

With more than 23 years of experience in store development, French is a proven leader in retail services and devising business growth strategies. His background includes expanding emerging and existing business, real estate selection, lease negotiation, store design, construction and facility management. French has executed multi-faceted projects for premier retailers Uniqlo, Chico's, United Retail Group and Victoria's Secret. He has also directed the design, planning and institution of stores for Warner Bros. Worldwide and Burch Capital Creative.

"Brian brings the ideal professional combination of expertise and commitment to support our company growth well into the future," Kris Bunnell, FrontStreet CEO, said. "His experience with industry-leading retail brands and dedication to quality service execution will enhance our operational scale, while maintaining a singular focus on customer needs."

Well-versed in business leadership initiatives, French encourages team building and synergistic relationships to create collaborative environments. He excels in quickly assessing complex group structures, then offering technical solutions and problem solving methods to facilitate effective communication. French is a graduate of the University of Tampa and a member of the US Green Building Council and the International Council of Shopping Centers.
